SOCIAL IMPACT

At Nutri5+, we believe in giving back to the community. With every purchase of a Nutri5+ product, you provide a nutritious meal to an underprivileged child. A percentage of the profit generated from Nutri5+ gets ploughed back into the society through our biggest NGO named Sri Sathya Sai Annapoorna Trust serving morning nutrition to about 10 million children across the country.

This initiative helps address malnutrition and supports the health and development of children in need. By choosing Nutri5+, consumers not only improve their own health but also contribute to a greater cause, making a positive impact on society.

ADDRESSING HIDDEN HUNGER

One of the primary goals of Nutri5+ is to combat malnutrition by providing high-quality, nutritious products at an affordable price. Nutri5+ products are accessible to a wide range of consumers, ensuring that more people can benefit from essential nutrients without financial strain.

COMPARISON WITH LEADING BRANDS

Nutri5+ stands out in the market by providing superior nutritional benefits at an affordable price. Unlike many leading brands that often include high sugar content, artificial flavors, and trans fats, Nutri5+ products are formulated with health in mind. Our products are not only free from these unhealthy additives but also enriched with vitamins and minerals, offering more micronutrients per serving. This focus on purity and nutrition makes Nutri5+ a better choice for health-conscious
